

Main Track, Aug 21, 2012
NerdyDerby.com

Designed by Tak Cheung.
Thanks to Mick Hondlik for contributing to the start gate design.
Thanks to Matt Richardson, Luis Daniel, Melissa A. dela Merced,
Trent Rohner & Ben Light for fabrication and feedback.

Cut with 0-3/4" thick plywood.
The bottom layout of the track are
overlapping groups. Two of each
profiles are glued together to make
one section of the track.
